

Dave Completes Transition to Simplified Fee Structure

February 20, 2025

Completes shift from optional "Tips" pricing model for all members

LOS ANGELES, Feb. 20, 2025 (GLOBE NEWSWIRE) -- Dave Inc. ("Dave" or the "Company") (Nasdaq: DAVE), one of the nation's leading neobanks, today announced the completion of changes to its optional "Tips" and instant transfer feature for using its ExtraCash service.

The optional fee model, which allowed members to access credit for as little as \$0 per transaction, has been replaced with a simplified 5% fee structure including a \$5 minimum and \$15 cap. There will also be no additional fees incurred to instantly transfer funds from ExtraCash to Dave Checking accounts. Early testing of the new structure indicates positive member feedback and suggests enhancements to lifetime value, resulting in the company moving forward with the full member migration within the previously disclosed early 2025 timeline.

The transition supports Dave's mission to make finances easier for its members, and level the financial playing field.
